WHO WE ARE

Our grants are possible through the generosity of the Jones family, who gifted their cattle ranching fortune to help children in Coffey, Lyon, and Osage Counties.

Walter S. and Evan C. Jones, sons of Welsh immigrants, grew up on a farm near Lebo, Kansas. After inheriting 200 acres, they formed a successful farming and cattle partnership, later joined by Walter's wife, Olive, after their marriage in 1911.

Following their passing in the 1950s, their shared vision was to support area children with medical and educational expenses. The Walter S. & Evan C. Jones Foundation was established on April 24, 1974 to better support the medical and educational needs of individuals in Lyon, Coffey, and Osage counties.
